"A Company Built on Integrity"

Arrigo Air & Heat Offers 3 levels of preventative maintenance to fit your needs. These HVAC services are designed to extend the life and maximize the performance of your Air Conditioning System.

Don't wait until your system breaks, call us now to schedule your annual preventative maintenance.

Please see our other Document explaining the benefits of Our Preventative Maintenance Options

**Basic New
System PM
&
Real Estate
Inspection**

**Advanced
Preventative
Maintenance**

**Premium
Preventative
Maintenance**

1-2 Year Old Systems

Basic PM Inspections are tailored for New systems or for Real Estate Inspections

3+ Year Old Systems

Advanced PM is the preferred minimum service for all units 3 or more years old.

5+ Year Old Systems

Premium PM is the preferred maintenance for systems 5 years or older. It is also recommended to help keep ductwork free of bio contaminant growth.
